

Circle the Letter

Study Point: Alphabet recognition

Time: 10 minutes

Skills: Listening

Materials: Blackboard, chalk

Steps

- ☺ Write all the alphabet several times on the board including big and small letters (there would be 4 a's, 3 L's, etc.).
- ☺ Divide the class into two teams. Each team forms a line.
- ☺ Give the first student in each line a piece of colored chalk.
- ☺ Call out a letter such as big A or small z.
- ☺ The students race to the board and circle the correct answer.
- ☺ The first student to circle the correct answer earns a point for their team.
- ☺ The team with the most points is the winner.
- ☺ To save time during class, you can write the alphabet beforehand on a large piece of paper instead of on the blackboard.

Notes

Instead of the alphabet, use numbers such as 1 to 30, or times such as 12:00, 7:35, etc.
