

Half a Picture

Study Point: "Is/Are there _____?"

Time: 15 minutes

Skills: Speaking, listening

Materials: Simple pictures, tape

Steps

- ☺ Make or find a variety of pictures that the students can identify in English. Many pictures can be found in coloring books.
- ☺ Cut the pictures in half and mix them up.
- ☺ Tape half of a picture to the back of each student.
- ☺ Be sure the students do not see their own pictures.
- ☺ When you say GO, the students walk around asking questions to find out what is on their back and who has the other half of their picture.
- ☺ The questions must be in Yes or No form.
Example: Is there an animal in my picture?
Is there a sports car in my picture?
- ☺ When they find their partner they can sit down.
